Quotes:

Thomas Smith
"When I first used the app, it was really simple to use. I really liked the points system as i'm really competitive, it will make me want to get more than my friends."

Mathew Berry
"Having the option to say no to paper receipts, and having them all digitised, would be hugely helpful to me"

Caitlin Day
"As a geographer, being able to reduce my footprint means a lot and that's why the ability to both collect receipts and track my carbon footprint at the same time is huge for me."
